### PRESENTATION CODE

Presentation codes are assigned for each presentation in form of

AAA-OR-000 for Oral presentation, and

AAA-PO-000 for Poster presentation

Where AAA is the abbreviation for conference session and 000 is identification number for each article (starting from 001, 002, 003, ...)

### ORAL PRESENTATION

Oral presentation rooms will be equipped with the following items:

- A computer running WINDOWS 7 operating system, with MS office 2007/2010, Acrobat Reader 10.0
- A LCD video projector

All presenters can upload their presentation files to the computer in the oral presentation room located on the 3<sup>rd</sup>, 7<sup>th</sup> and 8<sup>th</sup> floor from 08.15 a.m. onwards. A technician will be available to assist you. The time slot for 30 minutes including discussion is allocated for each invited speaker, and 15 minutes including discussion is for each oral presentation (12 minutes for presentation and 3 minutes for discussion).

### POSTER PRESENTATION

There are two poster presentation sessions for PACCON2015. The poster size is 120 centimeters (Height) by 90 centimeter (Width). Your poster code will be located on the poster board in the Watergate Ballroom on the 6<sup>th</sup> floor. Mounting materials will be provided in the poster presentation session area. Due to a large number of poster contributions, the presenters are kindly requested to mount up and remove the posters strictly following the appointed schedule.
